"There's no two without three" or "Three is the perfect number".. you choose which one is more suitable for introducing this third anniversary compilation that every year gives us the opportunity to prepare this special release of previously unreleased tracks by a lot of great artists. This year, the huge compilation features music by professional artists such as Robert Lippok which goes a special thanks for having participated with other emerging artists that deserve special treatment that Nostress Netlabel reserves. The introduction of new catalogs of physical media supports such as CDs and your kind donations, has offered to us the opportunity to be able to have the necessary funds to organize events and local concerts and for that we are grateful. We continue our work with pride and hope to be able to do more and learn about new artists and music of great interest.

"Non c'è due senza tre" o "tre è il numero perfetto"...scegliete voi quale sia più appropriato per introdurre questa terza compilation anniversario che come ogni anno ci offre l'opportunità di preparare questa speciale release di brani inediti di artisti che fanno parte della scuderia Nostress e altri che forse lo diventeranno. Quest'anno l'enorme compilation ospita brani inediti di artisti professionisti come Robert Lippok a cui va un ringraziamento speciale per aver partecipato insieme agli altri artisti emergenti con i loro diversi modi di pensare e concepire la musica che meritano un trattamento speciale che Nostress Netlabel riserva sempre. L'introduzione di nuovi cataloghi di supporti fisici come i cd e le vostre gentili donazioni, hanno offerto a noi l'opportunità di poter avere i fondi necessari per organizzare eventi e per questo vi siamo grati. Continuiamo la nostra attività con orgoglio e speriamo sempre di farvi conoscere artisti validi e musica di grande interesse.
