As every year it comes a new digital Anniversary Compilation with works by Artists from around the world who are part of Nostress Netlabel Catalogues, but now, for the fifth time we wanted to play and have fun with cover and remix by artists always within the same Nostress circuits. And the result was great and hilarious, so you will will listen to disciplined and traditional remix and personal bizarre interpretations cover and we're really proud of the result. For the coming years we do not know what's in store for the future..new compilation of unreleased tracks or cover? .. Will celebrate anniversary with something different..don't know yet, who knows?. We renew our usual thanks to you for your supports and your donations extremely important for NN life!

Come ogni anno esce una Compilation Anniversario che raccoglie brani di artisti da tutto il mondo che fanno parte della scuderia Nostress, ma per questa quinta volta abbiamo voluto giocare e divertirci con una playlist di interpretazioni e remix di brani di altri artisti sempre all'interno dello stesso circuito Nostress. Il risultato è stato esilarante, avremo modo di ascoltare tradizionali e "disciplinati" remix e vere e proprie bizzarre interpretazioni personali...siamo davvero orgogliosi del risultato ottenuto. Per i prossimi anni non sappiamo se continuare con compilation di inediti o di nuovo cover oppure provare ad organizzare qualcos'altro di altrettanto divertente per festeggiare un nuovo anno trascorso..chi lo sa..intanto ci godiamo il risultato e rinnoviamo i soliti ringraziamenti a chi ci segue e a chi ci sostiene con donazioni estremamente fondamentali per tenere in vita Nostress!
