Petit (Giuseppe D'Angelo from Palermo, Italy), is an intimate project that stirs between ambient, electronic, glitch with stringed instruments as the glue to create moments of suspension. Recurs after three months with a second EP titled "cocooner" also with four tracks still does not give a title. Sounds are more dense, widest atmospheres, sampled voices, the rhythm is dismantled. Petit is a free interpretation of moments.

Petit (Giuseppe D'Angelo da Palermo, Italia), è un progetto intimista che si muove tra ambient, elettronica, glitch, con strumenti ad arco che fanno da collante per creare momenti di sospensione. Si ripresenta a distanza di tre mesi, con un secondo EP "cocooner", anche qui quattro brani a cui si continua a non dare un titolo. I suoni si fanno più densi, le atmosfere più larghe, voci campionate, le ritmiche si smontano. Petit è libera interpretazione di momenti.
