Recorded at Dogana d'Acqua studio (2018)

Nostress Netlabel is proud to release "Granchite Yumtruso PT 2", the new digital EP by Massimo Ruberti, an artist from Livorno (Italy) who usually define himself as a "Trafficker of sounds and images". The album is the second part of the EP "Granchite Yumtruso PT. 1 ", released by Nostress Netlabel exclusively for Netlabel Day 2016 organized by the Chilean netlabel M.I.S.T. and which involves Netlabels from all over the world. EP "Granchite Yumtruso PT 2" closes a cycle of sounds that gradually stratify with exotic and colored atmospheres, with distant echoes that rest on long carpets with an antique flavor. The voice of Ada Doria in "Wilderness Falling" and "Cosmic egg traveling blues" seems to come out of an 1870 gramophone as it disperses vibrations in the Sahara desert. The sax of Fabio Leonardi paints well-defined shades of color. Notable orchestral arrangements of Roberto Mangoni in "Cosmic egg traveling blues". The songs were recorded at Dogana D'acqua Studio. The disc has been mixed and burned from Francesco Landucci to Poderino Recording Studio.

Nostress Netlabel è lieta di presentarvi "Granchite Yumtruso PT 2", il nuovo lavoro discografico di Massimo Ruberti, artista livornese che ama definirsi "trafficante di suoni e immagini". Il disco rappresenta la seconda parte dell'EP "Granchite Yumtruso PT. 1", presentato in esclusiva per il Netlabel Day 2016, un evento di rilevante spessore che si svolge il 14 luglio di ogni anno, organizzato dalla netlabel cilena M.I.S.T. e che coinvolge le Netlabel di tutto il mondo. L'EP "Granchite Yumtruso PT. 2" chiude un ciclo di suoni che si stratificano gradualmente con atmosfere esotiche e colorate, con echi lontani che si poggiano su lunghi tappeti dal sapore antico. La voce di Ada Doria in "Wilderness Falling" e "Cosmic egg travelling blues" sembra uscita da un grammofono del 1870, mentre disperde le proprie vibrazioni nel deserto del Sahara. Il sax di Fabio Leonardi dipinge sfumature di colore ben definite. Notevoli gli arrangiamenti orchestrali di Roberto Mangoni in "Cosmic egg travelling blues". I brani sono stati registrati presso la Dogana d'Acqua Studio. Il disco è stato mixato e masterizzato da Francesco Landucci al Poderino Recording Studio.

COSMIC EGG TRAVELLING BLUES

I'm the queen of the egg
I'm the queen of cosmic egg
From the bottom of the sea
From the center of the Earth.

There's a star it's time to stop
Time to rest this travelling egg
Time to crawl out of the caves
Time to live our lifes again.

Children and plants
humans and creatures
animals and robots
your queen is calling.
