Aos Crowley is one of the primary projects of composer and sound designer Matt Dean. His other projects are Chromasonic and Slo Virus.

Matt has been a musician for over 35 years and has produced work in a variety of formats and styles, including film scores and game sound design for Sony Playstation Home.

Currently he collaborates with multiple musicians and artist in various disciplines. He lives in San Francisco, CA, USA.

From first to the last note "Orange and Black Cloud" fascinate the listner. This release is a "sound portal" toward futurist imaginary sceneries. Abstract and Sci-Fi atmospheres are pleasantly contagious. An Aos Crowley precious gift...maybe from the future...
