Lone producer & DJ emerged from the mists of the Montseny massif, tireless walker, woods and riversides lover, Watcher of the Skies day or night... he and his two white dogs.

Ecclectic tastes, non ortodox mixing techniques, found sounds and losts dialogs creating atmospheres, sonic adventures & cosmic journeys from hidden departments of his mind.

Begins at 18 as a radio DJ in his village, founder member of a disappeared trip-hop group during 2000's, sporadic DJ appearances on free parties private chill-outs. Ambient freaky, house lover, trance addict, minimal user, techno abuser, and so on.. in a thousand would be times in a thousand would be worlds.
