Naughty Saw is an electronic music project that originates from early 2000's. Location – a major industrial city in central Ukraine – has a fundamental influence on the music genre of NS. That's why noise, drone and industrial were the first directions of experiments. Later NS began to experiment also with unusual dub structures, scapes and atmospheres. Nowadays NS is the project that focuses mostly on creating music during improvisational/meditational sessions. raw is a new album in collaboration with Art Electronix.
