- massovye kommunikacii
- hrustal

Sergey Kostyrko // Ilia Belorukov // Konstantin Samolovov

Mars-96 is a free improvised avant-garde / noise rock trio from Northern Palmira. The band's name was borrowed from an ambitious project of Russian Space Agency that turned into the scandalous failure. And their sound refers primarily to New York's 80s no wave scene. This is the second Mars-96 release in Nostress Netlabel. A recent live concert in Saint Petersburg at Dada Club in January 2014.
